Dear Michael Suchoparek!

Let us thank You on behalf of The Supreme Commercial Court of the Russian Federation for close cooperation, hospitality and attention showed during the visit of our delegation in June 2010.

Given visit was very useful and gave us invaluable opportunity to study American experience and system of consumer bankruptcy cases given the working out of a new Russian law in this sphere and further development of a court practice and perfection of Russian judicial system.

Let us pay our respect and gratitude to You. We do hope that our mutually beneficial cooperation will strengthen from year to year.

Yours sincerely,

*Justice, The Supreme Commercial Court
of the Russian Federation*
